VIPER

MAKE YOUR PLAYGROUND THE TALK OF THE TOWN!

The Viper is a giant in-line rope swing designed for a single or multi-user experience. It combines balancing, swinging and rocking movements with play interaction. Unlike traditional swings, Viper promotes cooperative play requiring teamwork and balance. It is challenging and exciting to a wide group of ages and abilities. The dramatic styling, arched supports and imposing presence will breathe new life into an existing play area or make it an excellent anchor item for any playground.

VIPER

FEATURES & BENEFITS

- Robust, durable construction
- Galvanized chains secure the seat from two semi-circular poles which are reinforced with four curved support tubes.
